

Declaration of contamination of devices and components

Please return to:

DILO Armaturen und Anlagen GmbH

E-Mail: service@dilo-gmbh.com

Fax: +49 (0) 8333 302-52

For safety reasons and legal requirements the repair and/or servicing of service carts or components (compressors, vacuum pumps etc.) will be carried out only if a correctly completed declaration has been submitted. Non-completion will result in delay. If the duly filled-in declaration is not returned to us within 1 week we will check the equipment at extra costs.

When returning rental devices a completed declaration must be submitted otherwise we will test the equipment at your expense.

For maintenance at customer's site correct labelling of contaminated devices is mandatory! Please return the completed declaration in due time. This declaration must be handed over to the DILO technician prior to starting maintenance works.

ATTENTION:

For transportation, the device/component must not be filled to transport pressure of more than 2 bar!!!
